Re: Continuing A Majority Party Action Committee (CAMPAC)
- I.D. # C00350462 -
Amended July Monthly Report (6/1/05 to 6/30/05)

Dear Mr. Morse:

This is in response to your letter dated January 6, 2006, regarding the disclosure of administrative expenses for the PAC listed above.

As we have reported to you in the past, CAMPAC is a relatively small committee, with limited activity. We have no employees and do not rent office space. Currently, some work is done for the PAC by a volunteer. We hold one major fund-raising event, coordinated by a consulting firm. That cost is listed as consulting expenses on our FEC reports.

The CPA firm of Burnside & Lang, P.C. in Midland, Michigan, does FEC reporting and all record keeping. Payments made to Burnside & Lang include staff time, postage, telephone and supplies and are listed on all FEC reports filed to date.

At this time, due to the size of CAMPAC and its limited activities, there are no administrative costs other than those mentioned above. In the future, if we incur any administrative costs, or receive any in-kind goods for services that would be considered administrative expenses, we will report them on the appropriate FEC report.

I hope this clarifies your questions regarding administrative expenses. If you have any questions, please feel free to contact me.

Sincerely,

Jacqueline M. Medema, Treasurer
Continuing a Majority Party Action Committee
